# Rosita rocks!

**Actress Velile Tshabalala reveals what it was like being the Other Doctor's companion!**

## Did you enjoy playing Rosita?

"It was **so much fun**! I loved it. She's a fantastic character to play – **really feisty** and she gives as good as she gets."

## Are you anything like her?

"I am, in that I'm **quite mouthy** and quite east London! The opening scene was my audition. I must have gone in and **screamed my head off**, and they thought, 'Yep, that's the one!'"

## Did you find the Cybermen scary?

"The first time I saw **the Cybermen** we were doing a night shoot and **I wasn't prepared**. I was sitting on a chair, watching the monitor, and they came out of the trailer and walked up behind me. I **turned round and yelped**!"

## Did anything funny happen during filming?

"In the scene with Miss Hartigan and her Cybermen, they had these **small tubs of water** with mirrors in them to give the effect of water rippling on the walls. I had to **run as fast as I could** straight towards the camera. But I only spotted a tub of water at the last minute, and dived over it! I fell into **David Tennant's arms**!"

## Where would you go if you had a TARDIS?

"I'd like to go back to when my **mum and dad were teenagers** and see what they got up to!"

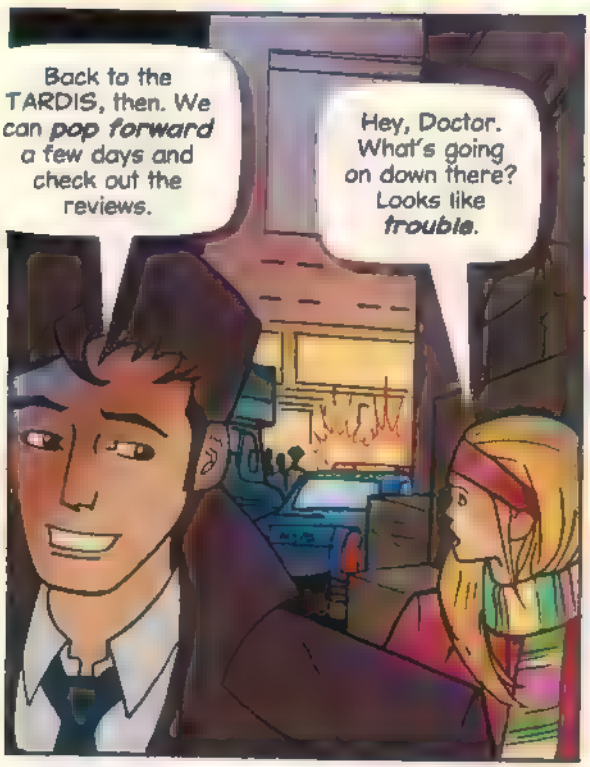
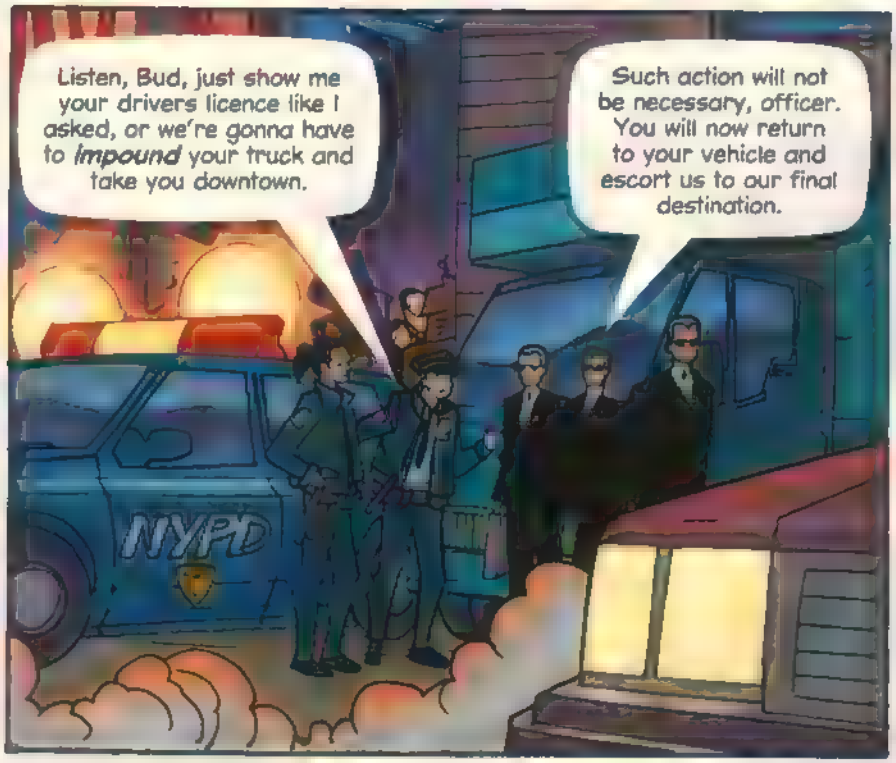
DOCTOR · WHO
THE GREED OF THE GAVULAV
Broadway, New York City.
The year is 2018, and the Doctor and Heather have just enjoyed a trip to the theatre.
I have to say, I had my doubts that Bleak House would work as a song and dance spectacular, but they pulled it off! That was brilliant.
And who'd have thought Wayne Rooney would go on to be such a massive star on Broadway. What a voice!
ROONEY IS A MARVEL
BROADWAY'S NEWEST MUSICAL SMASH!
Smile
Letters PAUL VY

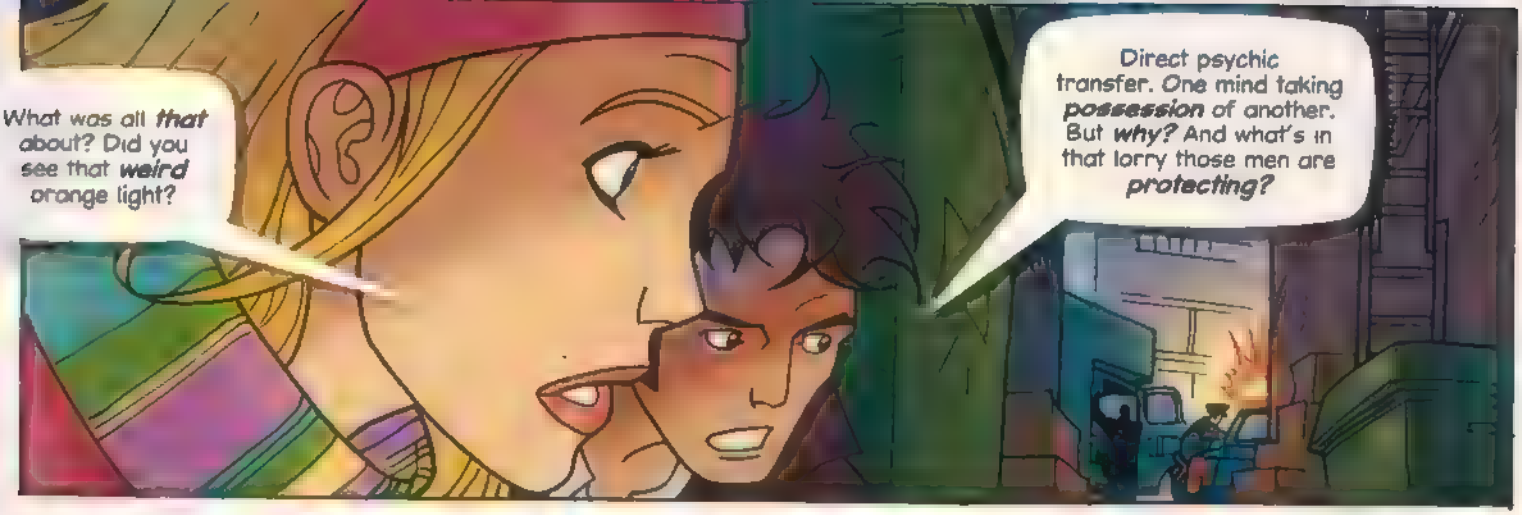


Back to the TARDIS, then. We can pop forward a few days and check out the reviews.
Hey, Doctor. What's going on down there? Looks like trouble.



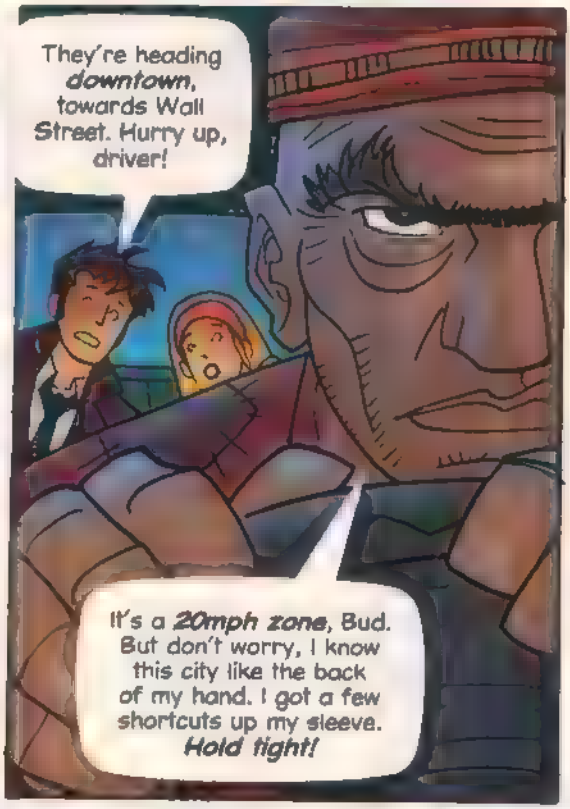
Listen, Bud, just show me your drivers licence like I asked, or we're gonna have to impound your truck and take you downtown.
Such action will not be necessary, officer. You will now return to your vehicle and escort us to our final destination.
NYPD

Suddenly...
That ain't gonna happen, sir. What the...?
AAARGH!
Merger completed. You have been acquired.



What was all *that* about? Did you see that *weird* orange light?
Direct psychic transfer. One mind taking *possession* of another. But *why?* And what's in that lorry those men are *protecting?*

Come on. We can't let them get away. *Taxi!*
Where d'ya wanna go, Mister?
Follow that truck, and step on it. Oh, I've *always* wanted to say that!
SCREEEEEEECH!



They're heading *downtown*, towards Wall Street. Hurry up, driver!
It's a *20mph zone*, Bud. But don't worry, I know this city like the back of my hand. I got a few shortcuts up my sleeve. *Hold tight!*

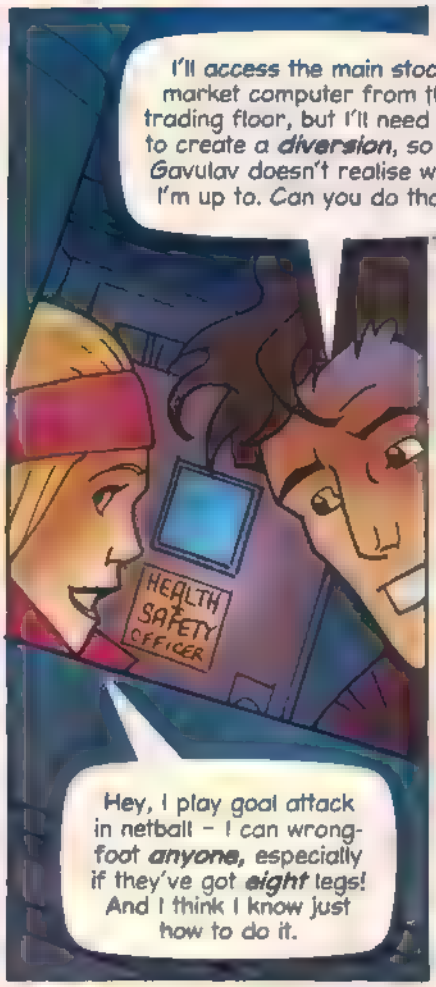
Several shortcuts later, and...
Hey, why are the *lights on* in the New York Stock Exchange? They must've stopped trading *hours* ago!
That's strange. And this lorry is *empty*. I wonder where they've got to. Let's go inside and investigate, Heather.

The main trading floor is on the level *below* us. We should get a good view of what's going on from up here.
Oh my! Is *that* what was in the truck?

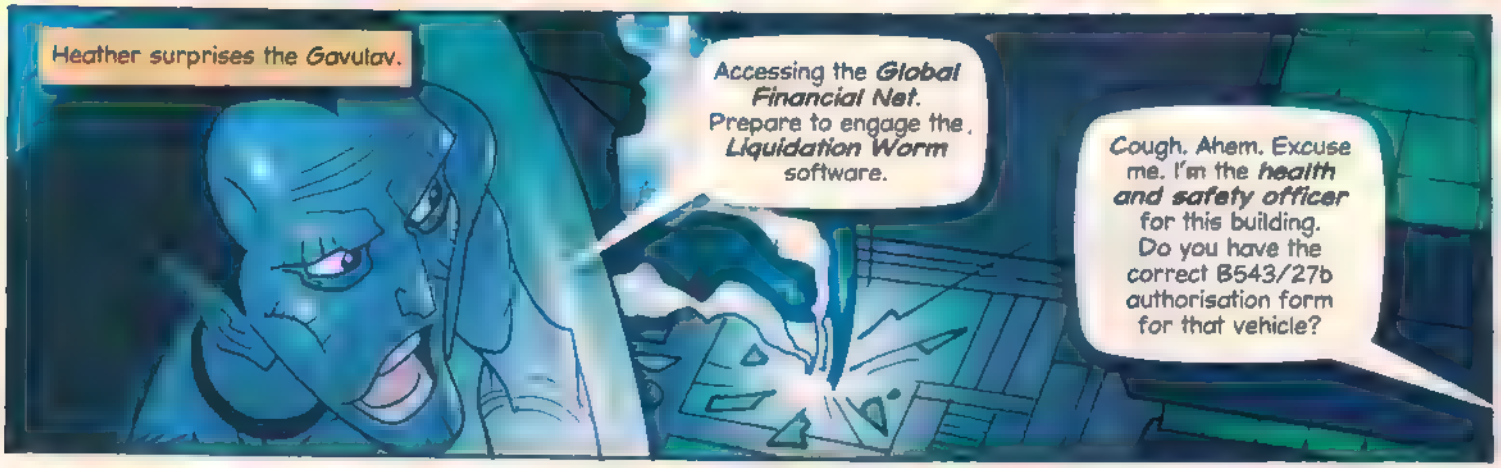
Welcome, Children of the Gavulav. At last, the final software has been installed. Man your stations and begin trading. Praise be the attainment of wealth!
NYSE
Praise be.
Praise be.
Praise be.

What are they doing? Is that thing in control of all those people?
Sort of, but they won't know it. That's a Gavulav! A race of hyper-intelligent computer hackers. They've made a galactic fortune fleecing the economies of a thousand worlds.

Earth has enough problems with aliens invading the old-fashioned way, let alone interstellar cyber criminals. We have to stop them!
They'll be using advanced Trojan software to work their scam. What they don't know is I've been reprogramming malicious code since I was in the Prydonian Scouts. For the Time Lords, it was like playing noughts and crosses.

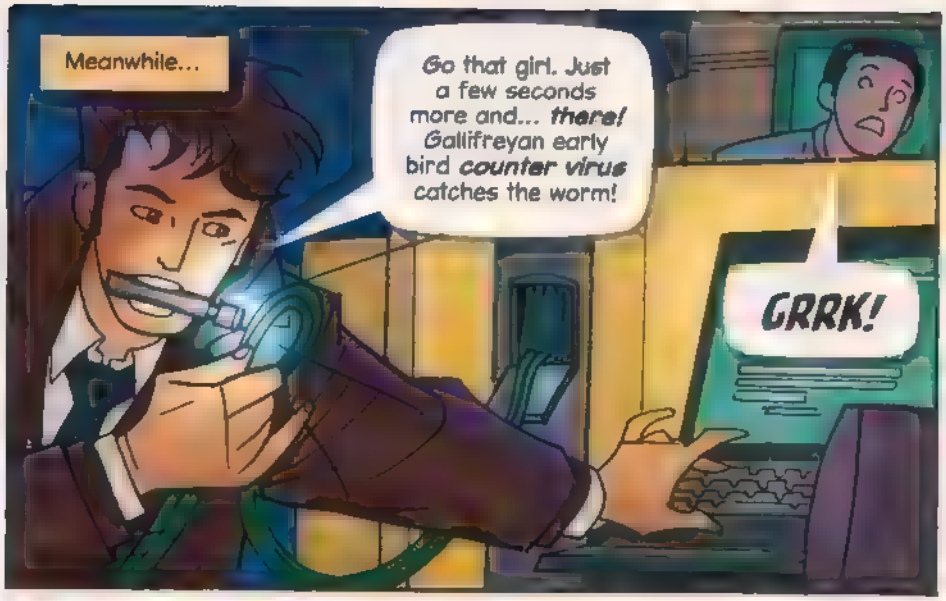


I'll access the main stock market computer from the trading floor, but I'll need you to create a diversion, so the Gavulav doesn't realise what I'm up to. Can you do that?
HEALTH SAFETY OFFICER
Hey, I play goal attack in netball – I can wrong-foot anyone, especially if they've got eight legs! And I think I know just how to do it.

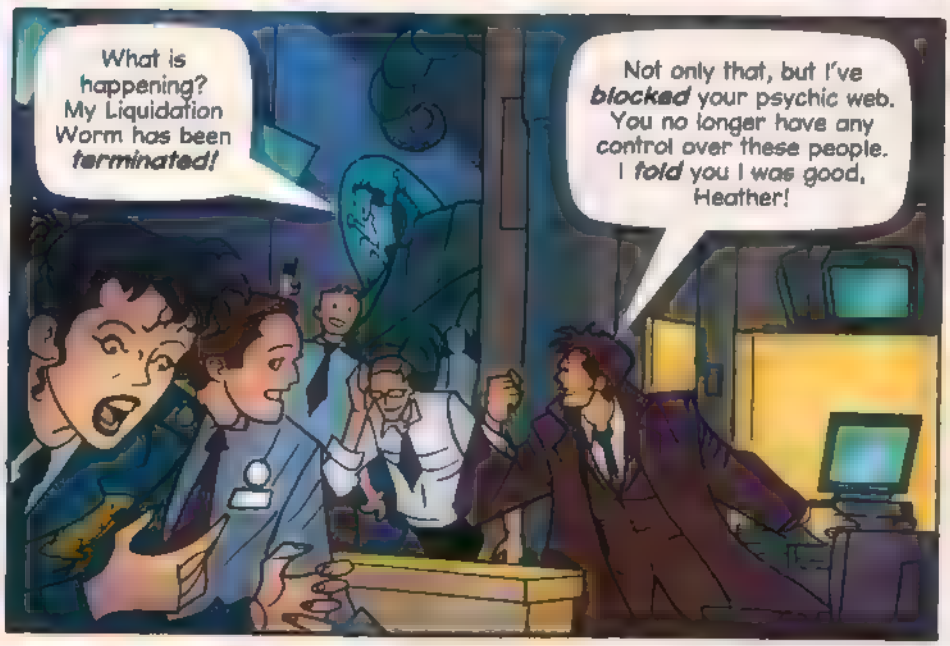


Heather surprises the Gavulav.
Accessing the Global Financial Net. Prepare to engage the Liquidation Worm software.
Cough. Ahem. Excuse me. I'm the health and safety officer for this building. Do you have the correct B543/27b authorisation form for that vehicle?

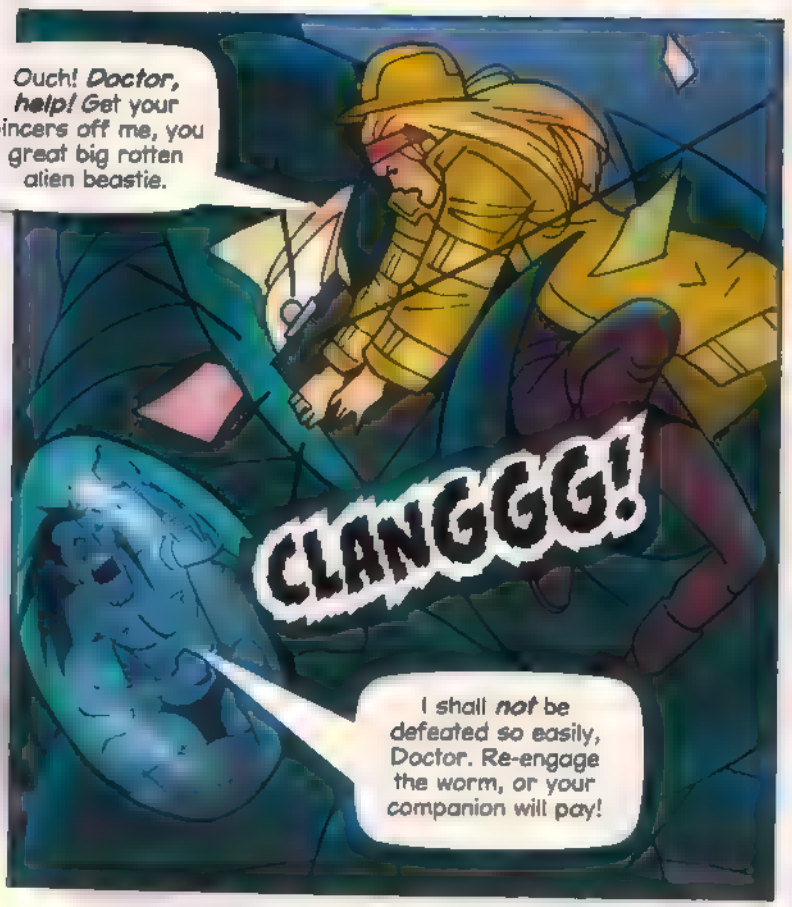
No? Then I'll need you to sign this release form, here and here. Thank you.
Of course, no problem... Stop! What am I doing? We're stripping your planet of all its material wealth. We don't care about health and safety regulations!



Meanwhile...
Go that girl. Just a few seconds more and... there! Gallifreyan early bird counter virus catches the worm!
GRRK!



What is happening? My Liquidation Worm has been terminated!
Not only that, but I've blocked your psychic web. You no longer have any control over these people. I told you I was good, Heather!



Ouch! Doctor, help! Get your pincers off me, you great big rotten alien beastie.
CLANGGG!
I shall not be defeated so easily, Doctor. Re-engage the worm, or your companion will pay!

Don't do it, Doctor. I'll be fine!
What's going on? Last thing I remember I got called for a job interview and... Hey, that's the guy who interviewed me! But he seemed so nice.
Let's just say the job didn't work out. Gavulav, leave my friend alone or I'll...

Or you'll what, Doctor? Launch a hostile takeover bid?
No, but I think Earth's own shareholders might have something to say about your current business plan.
What...? Get off of me, you filthy creatures. I promised you the Earth.
Earth isn't yours to promise. Come on everyone, if we work together we can take him!
Yeah. Bring him down.
Go for the legs!
NOOOOOOOO!
Gotcha.
To think, I usually just go for a coffee and a chat after a trip to the theatre!
CRASHHHHH!
The deal's off. I'm getting out of here, and I won't be coming back! You could have been rich beyond your wildest dreams!
More like our darkest nightmares! Freedom is more important than money any day. Good riddance to bad rubbish.
FZZZZZZT!
A quick trip in the TARDIS later, and...
Oh no! The theatre reviews are right next to the business news! I had enough of stocks and shares after last night to last me a lifetime.
Yeah, and who actually reads the reviews anyway? Come on, let's go and get a cuppa.

**BUMPER CYBER FUN**

Hello,

We're really spoiling you this issue with our bumper Cyber pack! There are two different sets - so you can choose either a **Cybershade or a Cyberleader mask**, plus **two different badge sets** and also a massive **double-sided poster**, with Davros on one side and the Doctor and Donna on the other, and two super cool **Who sticker sheets**.

Read our exclusive interview with **Velile Tshabalala**, who played the feisty **Rosita** in **The Next Doctor**. What does she think of the **Cybermen** and where would she go if she had a **TARDIS**? Find the answers to these questions and more in this week's issue!

Our Editor, Moray, shares his favourite tale from the TARDIS with a look at **The Christmas Invasion**, when the gruesome **Sycorax invaded Earth**. Can the Doctor help save the day again? Speaking of Sycorax, we've got the first part of an **amazing three-part big win**, with your chance to **win a skull-faced Sycorax head**! Look out for part two next week.

Also in this issue, there are **Clockwork Robot**, **Rosita**, **Dalek** and **Cyberman** posters, a colour-in **Bannakaffalatta** and a fantastic Who's Where called **Graveyard Terror**. You can also read all about Martha's marvellous sister, **Tish**, in our Doctor's Data and travel to New York in 2018 with the Doctor and Heather in this week's brilliant comic strip, **The Greed of The Gavulav**.

Enjoy!

The DWA Team

**DID YOU KNOW?**
Velile was so **excited** when she discovered she'd got the role of **Rosita** in The Next Doctor, that when she rang her dad he couldn't work out what she was saying. He thought she was really **ill** and needed to see a **medical Doctor**!
